 **PRODERMAL NZ**

BOUTIQUE CLINIC

Facial treatments designed
to meet your unique
skincare needs

Prodermal NZ is a locally owned and authorised stockist of professional skincare products based in Mt Albert, Auckland.

We believe that true beauty emanates from within, and healthy skin is the foundation of feeling your best.

We are very excited to announce our boutique clinic to help you achieve that feeling.

A curated range of facial treatments, meticulously designed to offer both indulgence and results. Tailored to meet your unique skincare needs.

FACIALS All facials include a gentle cleansing ritual and exfoliation, nourishing treatment mask, and massage.

Bespoke Facial | 50 min **\$120** **OPENING SPECIAL \$99**

A personalised treatment designed exclusively for what your skin needs at the time. All your concerns are accurately targeted with a specially curated selection of premium products.

Hydrating Facial | 50 min **\$120** **OPENING SPECIAL \$99**

Perfect for thirsty skin in need of deep hydration. Rich moisturisers and nourishing serums restore moisture balance and leave your complexion supple and radiant.

Hydrojelly Mask Facial | 50 min **\$120** **OPENING SPECIAL \$99**

The ultimate hydration experience. These innovative masks are designed to lock in moisture and deliver potent skincare ingredients deep into the skin.

Gentleman's Facial | 50 min **\$120** **OPENING SPECIAL \$99**

Specifically tailored for the unique needs of men's skin, this deep clean facial addresses concerns such as razor burn, ingrown hairs, and environmental damage.

Asap Peel | 45 min **\$135**

Asap's variety of peels are both hydrating and exfoliating. Non-invasive and can significantly improve the appearance of imperfections, promoting firmer, younger looking skin.

Express Mini-Facial | 30 min **\$60**

Short on time? Our express mini-facial offers a quick pick-me-up for your skin.

LED FACIALS Boost collagen, brighten skin, and increase hydration with our FDA-approved Dermalux LED mask

Dermalux facial | 75 min **\$150**

Our bespoke facial with a LED light treatment to instantly boost your complexion, collagen production and restore vitality and glow.

The Power of Two | 60 min **\$185**

Combine peel & LED light treatments in a session with our most famous & super charged facials.

LED Light add on | 20 min **\$50**

Add on to any facial, boost your skin's hydration, collagen and brightness.

BROWS & LASHES Whether you're looking to enhance your natural brows or completely transform your look, we'll help you achieve your desired aesthetic with precision and care.

Brow Shaping | 15 min **\$30**

We will assess your natural brow shape and carefully tweeze, trim, and shape your brows to enhance your facial features and achieve the perfect arch.

Brow Tinting | 15 min **\$30**

Our brow tinting service gives you fuller, more defined brows without the need for daily makeup. Using a semi-permanent dye, we darken and define your brows, for a natural, long-lasting look.

Shaping & Tinting Combination | 20 min **\$50**

Both treatments included as described above.

Lash Tinting | 15 min **\$30**

Indulge in the allure of darker, more defined lashes with our lash tinting service. We apply a semi-permanent dye to your lashes, enhancing their natural color.
